§ 4284.911 Evaluation screening.

The Agency will conduct an initial screening of all proposals to determine whether the applicant is eligible and whether the application is complete and sufficiently responsive to the requirements set forth in the RFP to allow for an informed review. Failure to address any of the required evaluation criteria will disqualify the proposal. Submissions which do not pass the initial screening may be returned to the Applicant. If the submission deadline has not expired and time permits, returned applications may be revised and re-submitted.

§ 4284.912 Evaluation process.

(a) Applications will be evaluated by agricultural economists or other technical experts appointed by the Agency.

(b) After all proposals have been evaluated and scored in accordance with the point allocation specified in the applicable RFP, Agency officials will present to the Administrator of RBS a list of all applications in rank order, together with funding level recommendations.

(c) The Administrator reserves the right to award additional points, as specified in the applicable RFP, to accomplish agency objectives (e.g., to ensure geographic distribution, distribution of a commodity or accomplish presidential initiatives.) The maximum number of points that can be added to an application cannot exceed ten percent of the total points of the original score.

(d) After giving effect to the Administrator's point awards, applications will be funded in rank order until all available funds have been obligated.

(e) In the event an insufficient number of eligible applications are received in response to a given RFP, time per-

(2) *Qualifications of those doing work.* Proposals will be reviewed for whether the personnel who are responsible for doing proposed tasks, including those hired to do studies, have the necessary qualifications. If a consultant or others are to be hired, more points may be awarded if the proposal includes evidence of their availability and commitment as well.

(3) *Project leadership.* The leadership abilities of individuals who are proposing the venture will be evaluated as to whether they are sufficient to support a conclusion of likely project success. Credit may be given for leadership evidenced in community or volunteer efforts.

End user commitments will be evaluated on the basis of potential markets and the potential
